**AAVSB APPROVAL**

This program has been submitted (but not yet approved) for 16.5 hours of continuing education credit in jurisdictions which recognize AAVSB RACE approval; however participants should be aware that some boards have limitations on the number of hours accepted in certain categories and/or restrictions on certain methods of delivery of continuing education. Call Lauren at 936-825-2197 for further information.

**Dr Redden's  
In-Depth Equine Podiatry  
2 Day Lecture & Demo Course**

**April 23 - 24, 2010**

**J**oin renowned veterinarian and farrier Dr. Ric Redden for a 2 day in-depth teaching session designed to help farriers, veterinarians and horse-men advance to a higher level of education concerning commonly occurring foot problems. This course will be held April 23-24, 2010. The lectures will be held at the Navasota Center and demonstrations will be at Brazos Valley Equine Hospital in Navasota, TX. Register early, as seating is limited.

**T**his 2 day course is designed to teach veterinarians and farriers Dr. Redden's methodology for assessing, planning and treating a variety of foot problems.

**H**is unique method of teaching "how to sharpen your eye for radiographic detail" opens up limitless options and allows you the opportunity to learn how to read and interpret radiographic information. This information is vital for fine tuning, trimming and applying shoeing mechanics when dealing with the equine foot.

**R**egister online at [www.bveh.com](http://www.bveh.com) or use the attached registration form. We look forward to

R.F. Redden, DVM

**Save \$100**
